# VISIBILITY SPECIFICATIONS FOR THE N2L GLOBAL QUALIFICATIONS EVENT

01.

# OBJECTIVE

The purpose of this document is to outline the requirements for the visibility and placement of the Nothing2Looz logo and associated branding materials during the global qualification events. These specifications ensure that the branding is consistent, prominent, and meets the standards necessary for a high-quality presentation across all event locations.

# CENTRAL CIRCLE BRANDING

**DIMENSION :** The central circle, which will be the focal point for the dance performances, must have a minimum diameter of 240 cm.

**LOGO PLACEMENT :** The Nothing2Looz logo must be prominently displayed within this circle. The logo should be centrally placed and occupy a substantial portion of the space to ensure visibility.

**COUNTRY SPECIFIC LABELING :** Along with the logo, the name of the country hosting the qualification event should be included as a baseline text. For example: Nothing2Looz "Germany Qualification".

**DESIGN INTEGRATION :** The integration of the logo and country label should be seamless, maintaining the visual identity of the Nothing2Looz brand.
